

Cottons on the Rise!

Everything indicates that Cottons have struck the low level and are again on the rise; already Fruit of the Loom Londale Cambric and Lockwood Cottons have taken a jump up—this since we bought. We honestly believe that there won't be a more advantageous time to buy Cottons in the next six months at least than right now.

We got into the market when Cottons were the lowest and have a big stock of the following brands:

Dunellian, Thistle Down, Plantation, Shamrock, America, Amesbury, Hail Columbia, Fern, Cameo, Lonsdale and Amory Cambrics, Pequot and Family Choice—(these in bleached). Lockwood, Euclid, Wilton, Inez, Atlantic, Whitefield Harding, Cary and Hadly—these in brown. The bleached come in 36, 40, 42, 45, 54, 63, 72, 81 and 90 inches wide. The browns come in 36, 40, 42, 45, 54, 63, 72, 81 and 90 inches wide. The prices are all in your favor.
